

ABOUT “E-CREWING”

Founded by former maritime professionals E-CREWING provides crew manning (Agency Services, Full or Partial Crew Management) services. Using cutting edge IT technologies we managed to reduce our operational spendings to the market’s minimum, what allows us to provide quality services at very competitive rates. Being insiders of shipping industry our recruiters are able to distill the right candidate for a specific vessel taking into account all specifics of the last.

Capt. Andriy Dymnich
CEO of LLC E-CREWING

SERVICES

● Vessel Specific Crew Search

Selection process includes vessel type operational experience screening as well as Oil Majors requirements (for tankers)

● Comprehensive Screening

Including verification of licenses, education, english proficiency, medical fitness, communication & management skills (for officers).

● STCW & In-house Trainings

All courses provided are in full compliance with IMO model courses as well as STCW '95. In house trainings could be organised on request.

● Flagstate Documents Management

Being affiliated Liberian agent, our staff also has experience on application and management of various flag state licenses.

● Visa support

Omitting the fact that our seafarers may travel without a visa to more than 100 countries including EU, we are able to organise a visa to other states at short notice.

● Insurance support

Medical insurance administration allows to release load on your HR personnel and to avoid any additional expenses on intermediaries.

FLEETS SERVED

But not limited to:

Gastankers

Oil Tankers

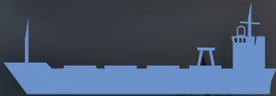

Chemical Tankers

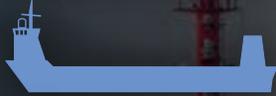

Container Ships

Bulk Carriers

Multi-Purpose Vessels

Heavy-Lift Vessels

Off-shore Vessels

TESTMONIALS

“

E-CREWING, LLC has been successfully audited and works as Crewing Agency for our Shipping Companies Hartmann Gas Carriers Germany and Hartmann Dry Cargo Germany. Hartmann Shipping Services is very satisfied with the service and performance of E-Crewing and after more than one year of cooperation all the time they have been able to screen, propose and recruit qualified seafarers according to our needs and to fulfill our very high requirements especially for Gastanker-Crew.

”
